EDUCATION

K L UNIVERSITY,VIJAYAWADA (GPA: 9.5)   *2022 – 2025*
Bachelor of Technology in Computer Science and Engineering.
BAPATLA POLYTECHNIC COLLEGE,BAPATLA (85%)   *2019 –2022*
Diploma in Electrical and Electronics Engineering.
BHASHYAM ENGLISH MEDIUM HIGH SCHOOL,REPALLE (GPA: 9.3)   *2018 – 2019*
Board of Secondary Education.

PROJECTS

IMPLEMENTATION OF TRIE DATA STRUCTURE (DJANGO)
I developed an web application for Trie operations, allowing users to insert, search, print, and perform prefix-based searches on words. It also supports uploading files for efficient word insertion.Trie for efficient storage and retrieval.

ONLINE VOTING SYSTEM (SPRING BOOT)
I developed an Online Voting System that prioritizes robust backend functionality and ensures secure data management. This system guarantees a safe and reliable voting experience, enabling voters to cast their votes conveniently from remote locations.

SKILLS

- Languages: Python , Java.
- Markup Languages: HTML , CSS
- Developer Tools: Visual Studio Code, PyCharm
- Data Analysis and Visualization Tools: PowerBI
- Frameworks: Django
- Databases: MySQL
- Soft Skills : Adaptability, Collaborative, Quick learner, Teamwork, Time Management

CERTIFICATIONS

- Advanced RPA Professional
- Microsoft Certified: Azure Fundamentals

HOBBIES

- Cooking
- Listening Music
- Travelling

ACHIEVEMENTS

- 3-Star in Codechef (Maximum Rating: 1668)
- I have completed over 500 coding problems across various coding platforms
- Successfully enrolled in Campus Corporate Connect's Campus Recruitment Training (CRT) program, honing essential skills for effective student placement and career development.
